

MERIDIAN SOLID SURFACE CUSTOM SHOWER BASE

Model # MSB0000CT *

* Insert actual finished dimensions in place of the "0000."

Tile-Patterned Surface Max. Size 116" x 92"

- This universal shower floor yields any size one-piece base up to 116" x 92"
- Choose from a variety of solid colors and granite-patterned colors
- Easy to clean surface, does not promote mold or mildew
- Tile-patterned surface helps prevent slipping
- Tapered floor helps water flow to drain
- Rigid water barrier integrated into base
- Uses standard 2" NPS strainer assembly
- Certified by Home Innovation Research Labs to the harmonized CSA B45.5/IAPMO Z124
- Approved by the Massachusetts Board of Examiners of Plumbers and Gasfitters
- Threshold may be integral or independent and must be specified at time of order. See Threshold specifications for additional details.
- For out of square or special angles, a rigid template is required
- Optional shower strainer assembly available
