

MERIDIAN SOLID SURFACE ONE-PIECE SHOWER BASE

Model #MSB4834SVOL(Left-Drain)
 Model #MSB4834SVOR(Right-Drain)

48" x 34" Variable Offset Drain

Threshold Detail

- Integral shower floor and threshold for alcove installation
- Choose from a variety of solid colors and granite-patterned colors
- Offset drain configuration allows base to be used for right or left drain installation
- Shower floor drains toward 6" drain area allowing for drain orifice to be added anywhere within the 6" drain area
- Easy to clean surface, does not promote mold or mildew
- Textured flooring helps prevent slipping
- Tapered floor helps water flow to drain
- Rigid water barrier integrated into base
- Uses standard 2" NPS strainer assembly
- Certified by Home Innovation Research Labs to the harmonized CSA B45.5/IAPMO Z124
- Approved by the Massachusetts Board of Examiners of Plumbers and Gasfitters
